Community Reviews. These consequences also signify how knowledge plays role in the process of transition to modernity, until the modernity itself creates those unintended and intended effects. "the circulation of social knowledge... that alters the circumstances to which the knowledge originally referred" (p. 54).

### **The Consequences of Modernity by Anthony Giddens**

The distinctive characteristics of our major social institutions in the closing years of the twentieth century suggest that, rather than entering into a period of post-modernity, we are moving into a period of high modernity in which the consequences of modernity are becoming more radicalized and universalized than before.

Instead, we have to look again at the nature of modernity itself which, for certain fairly specific reasons, has been poorly grasped in the social sciences hitherto. Rather than entering a period of post-modernity, we are moving into one in which the consequences of modernity are becoming more radicalised and universalised than before.

### **The Consequences of Modernity - PDF Free Download**

The Consequences of Modernity People tend to call the current era "post-modernity", "new society", etc., but Anthony Giddens argues in his book "The Consequences of Modernity" that we are not experiencing the era beyond modernity; rather we are now at the very consequences of modernity where key characteristics of modernity became radicalized and universalized than ever before.

### **Meditations: The Consequences of Modernity - Blogger**

the following: "modernity" refers to modes of social life or organisation which emerged in Europe from about the seventeenth century onwards and which subsequently became more or less worldwide in their influence. This associates modernity with a time period and with an initial geographical location, but for the moment leaves its ma-

The Consequences of Modernity. But modernity also has a somber side that has become very important in the present century, such as the frequently degrading nature of modern industrial work, the growth of totalitarianism, the threat of environmental destruction, and the alarming development of military power and weaponry.

### **The Consequences of Modernity - Google Books**

A post-modern social universe may eventually come into being, but this as yet lies 'on the other side' of the forms of social and cultural organization which currently dominate world history. In developing an account of the nature of modernity, Giddens concentrates upon analyzing the intersections between trust and risk, and security and danger, in the modern world.
