The Image: A Guide to Pseudo-events in America Summary

The Image: A Guide to Pseudo-events in America. Of important note, this book was written in the years following the 1960 Presidential Election, where many commentators have noted that Kennedy's appearance and demeanor on the first televised presidential debate may have swung the election.

The Image: A Guide to Pseudo-events in America - Wikipedia

In Daniel J. Boorstin Boorstin's other notable works include The Image: A Guide to Pseudo-Events in America (1961), in which he argued that many events are staged for publicity purposes and have little real value; the book was inspired by the televised U.S. presidential debates between John F. Kennedy and Richard Nixon in 1960..... [Read More](#).

The Image: A Guide to Pseudo-Events in America | work by ...

First published in 1962, this wonderfully provocative book introduced the notion of "pseudo-events"--events such as press conferences and presidential debates, which are manufactured solely in order to be reported--and the contemporary definition of celebrity as "a person who is known for his well-knownness." Since then Daniel J. Boorstin's prophetic vision of an America inundated by its own ...
