

The Immune System 4th Edition

The immune system is a favorite topic of mine. Almost everything which happens to our bodies involves the immune system. So I was very interested in a book which is on a very professional level with current information and excellent writing style. Also I feel that educational graphics are especially important to drive home the information.

The Immune System 4th Edition Parham Test Bank - Nursing ...

The Immune System. Written for medical, dental, veterinary, and pharmacy students new to immunology, the fourth edition of The Immune System concentrates on human immunity, explaining how the various systems function and highlighting their effect on daily life. The authors have chosen to present what is known about the mechanisms used by...

The Immune System - PubMed Central (PMC)

'The Immune System' 3rd Edition by Parham is the required one, and is highly rated on Amazon, but the 4th Edition is also out. It (4th) only has 7 reviews, which are mostly scattered. I already have Sompayrac's 'How the Immune System Works,' and like it, just looking for a more in depth reference.
